

One of our members, James Gunn, is offering to lead a free guided walk of the Wharf Street area of Leicester.

He proposes this to be on Thursday 24th October starting at 10.30am and lasting for about 2 hours. (Wharf Street: Including Ice Cream, Sid James, The Elephant Man and much more!)

Starting from outside Curve, Joe Orton Square, the walk will take in Wharf Street and the surrounding area and finish at Leicester Wharf near Leicester College.

Along the way you will find out many interesting facts about the area which for most of us is now a little bit 'off the beaten track'.

If there is a big take up then James can repeat the walk. He is proposing around 20-25 members on each walk, being manageable

If anyone interested, please let Barbara Sargeant know on her email:
