

Syston and District

Learn, laugh, live

FROM THE CHAIR OF SYSTON & DISTRICT U3A

I am delighted that you have become a Member of the Syston and District U3A and hope that the enclosed material provides you with information to support your decision to join us.

Members can experience a wide range of activities to help them to “*Learn, Laugh and Live*”, to pursue interests at leisure, share skills, knowledge and experience, and make new friends and have fun.

Our interest or activity groups cover a wide a range of topics and subjects and are the lifeblood of the U3A movement. No qualifications are offered, and none are needed as learning, enjoyment, and fulfilment are the primary focus of all our activities. “*Learners teach and teachers learn*” - the ethos of the national U3A movement.

Anyone with an interest or hobby they would like to share can ask for help in setting up a Group. You will find a programme of groups which are currently active on our website. Please check the website for the latest information on groups at systonu3a.org.uk

We hold monthly General Meetings, normally with an invited Guest Speaker, enabling a larger group of Members to come together, to socialise with a cuppa, and hear a range of talks presented in comfortable and convivial surroundings.

Yours Sincerely,

10th August 2023

T. Sliffe

Chair Syston and District U3A
